

REQUIREMENTS FOR ALL INCOMING HORSES

Lordships Stud will observe the recommendations of Horserace Betting Levy Board (HBLB) Code of Practice for the 2011 breeding season.

Summary of Requirements:

The following items should be provided to the Stud Manager a minimum of 24hrs prior to an animal's arrival at Lordships Stud:-

1. Passport- the animal must arrive at Lordships Stud with a valid passport which will remain with the animal during their stay at stud as per the Horse Passports (England) Regulations 2004.
2. Proof of Influenza and Tetanus vaccinations (all animals must provide proof of vaccinations in accordance with BEVA guidelines).
3. EVA and EIA certification (all animals must have a negative EVA and EIA blood test or proof of the administration of an EVA vaccine, administered for the current season).
4. CEM certification (all animals must have been swabbed free from CEM as per the current HBLB Codes of Practice).
5. Proof of a negative strangles blood test must be taken within 10 days before arrival on site.
